

PERdiem™/MC

General Purpose
Cleaner with
Hydrogen
Peroxide

A concentrated general purpose cleaner with proprietary Accelerated Hydrogen Peroxide (AHP®) technology for high-productivity cleaning.

Highly Versatile

- Uses the patented cleaning power of proprietary Accelerated Hydrogen Peroxide (AHP®) technology to clean floors, bathrooms, glass and hard surfaces
- Can also be used for carpet spotting and extraction cleaning

Environmentally-Preferred

- A phosphorous-free cleaner

Convenient-to-Use

- Available in dilution control for ease in use, safety and cost control

Use Directions

Carpet Spotting, Heavy Duty Spray & Wipe Cleaning or Restroom Cleaning

- Dispense into spray bottle at 1:64 dilution or dilute 2 oz. per 1 gallon of cold water. Spray and wipe surfaces or apply product to carpet spot, agitate and rinse with water.

Glass and Medium Duty Spray & Wipe Cleaning

- Dispense into spray bottle at 1:128 ratio or dilute 1 oz. per 1 gallons of cold water. Spray and wipe surfaces.

Daily Floor Cleaning or Carpet Prespray or Extraction use at 1:128 (1 oz./gallon) or 1:256 (0.5 oz./gallon) Dilution

- Dispense into bucket or autoscrubber using cold water. Apply to floors and allow to air dry or pick up excess water prior to opening to traffic. Floors will be slippery until dry. If applying finish or maintainer, a rinse is required.

For use as a carpet prespray or extraction cleaner

- Prespray area to be cleaned and extract with water.

Note: When cleaning floors position wet-floor signs around area to be cleaned. Floors will be slippery when wet or contaminated with foreign materials. If being used on carpet for the first time, test in an inconspicuous area.

Shower Room Cleaning

- Spray directly from the RTD dispensing system or fill bottle or bucket with product. Apply product evenly onto surfaces and allow to dwell for 30 seconds. For best results, scrub surface. Rinse with the RTD Spray dispensing system potable water. Wipe surfaces or allow to air dry.

Note: Do not allow product to dry on surfaces.

Product Specifications

Description	
Color/Form	Colorless liquid
Flash Point	> 200° F (> 93.4° C)
pH	2.0 (Concentrate) 6.2 (Use Dilution 1:64)
Scent	No fragrance added
Shelf Life	2 years
Solubility	Complete
Specific Gravity	1.026

Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at www.sealedair.com or by calling 888 352 2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
