

Alpha-HP®

Multi-Surface Cleaner

An all-in-one, multi-surface cleaner that cleans and brightens surfaces quickly and easily

Environmentally Preferred

- Green Seal® Certified

Increase Performance

- Powered by Accelerated Hydrogen Peroxide
- Blends commonly used chemicals with low levels of hydrogen peroxide for highly productive cleaning

Versatile

- Use on all washable surfaces
- Multiple dilution rates
- Use as a carpet spotter, prespray and extraction cleaner

Designed For

- EDUCATION
- HEALTHCARE
- HOSPITALITY
- RETAIL
- INSTITUTIONAL
- INDUSTRIAL

Use Overview:

Alpha-HP® Multi-Surface Cleaner is a multi-surface cleaner formulated with Accelerated Hydrogen Peroxide. It can be used as a general purpose hard surface spray-and-wipe cleaner, restroom cleaner, a carpet cleaner or a daily floor cleaner. Three dilution rates provide a complete cleaning system for hard surfaces and carpet. Multi-surface wipes leaves surfaces sanitary and can be used to clean hard surfaces such as: countertops, check-out counters, infant seats, cash registers, shopping carts and other water-washable surfaces. Not for use on brass or copper. Pre-test on marble.

Carpet Spotting, Heavy Duty Spray-and-Wipe Cleaning or Restroom Cleaning

- Dispense into spray bottle at 1:64 dilution.
- Spray and wipe surfaces or apply product to carpet spot, agitate and rinse with water.

Glass and Medium Duty Spray-and-Wipe Cleaning

- Dispense into spray bottle at 1:128 ratio.
- Spray and wipe surfaces.

Daily Floor Cleaning, Carpet Prespray or Extraction

- Use at 1:128 or 1:256 dilution.
- Dispense into bucket or autoscrubber.
- Apply to floors and allow to air dry or pick up excess water prior to opening to traffic.
- Floors will be slippery until dry.
- If applying finish or maintainer, a rinse is required.

- For use as a carpet prespray or extraction cleaner: Prespray area to be cleaned and extract with water.

Wipes

- Pull wipe from canister and use to clean hard surfaces.
- Discard after use.

Note: Floors will be slippery until dry. Allow hard surfaces to completely dry before contact. Never flush wipes into toilets. Never use wipes for personal hygiene or for infant wipes.

Product Specifications:

Color/Form	Colorless liquid
Flash Point	> 200° F (> 93.4° C)
pH	1.2 (Concentrate)
	2.5 (Use Dilution 1:64, Wipes)
Phosphates	0%

Scent	Citrus
Solubility	Complete
Specific Gravity	1.013
VOC	8% (Concentrate)
	1.9% (Wipes)

Safety Reminder:

Please make sure your employees read and understand the product label and Material Safety Data Sheet before using this product. The label contains directions for use, and both the label and MSDS contain hazard warnings, precautionary statements and first aid procedures. MSDS are available online at www.johnsondiversey.com or by calling 800 558 2332. Improper dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.

* Please dispose of any unused product in accordance with federal, state and local regulations.
